TWENTY-FOURTH PUBLIC SALE OF

RARE COINS

To Be Sold by Mail Auction
to the Highest Bidder Without Reserve
Thursday, September 30, 1926, by
M. H. BOLENDER
Rock City, Illinois

To Collectors:—Because of business interests I have a double address, mail reaching me safely at either Rock City or Orangeville, Illinois. Quickest service can be given if addressed to Rock City, but proper attention will be given to mail received at Orangeville as well. Use the Rock City address if you can remember.

In this sale I offer the collection formed by the late C. L. Colman of LaCrosse, Wisconsin. This collection is rich in United States coins. The half dollars and quarters will be sold in my next month's sale owing to lack of space in this one.

Please forward your bids promptly as there is little time left before the sale. First bids received also have the preference in case of a tie.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

No commission charged for faithfully executing your bids.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to value.

Here are some remarks just received referring to my sale held August 23rd, just one month ago:

"I want to thank you for the nice coins and notes you sent me. Everything is satisfactory."

"Thanks for handling my bids. Eight of the eleven items listed were bought at prices less than my bids."

"My only regret was that I was not fortunate enough to acquire more of the lots I bid on."

"I wish to thank you for buying several lots below my actual bids."

"The coins like all that I have purchased from you, were in better condition than I expected."

Hundreds of similar testimonials are on file in my office.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

Please bid by the piece unless stated to bid for the lot.
